

Yorkshire West Riding Personal Name Index

Surnames have been transcribed as they appear, even where it is thought that the clerk made a mistake. No attempt has been made to normalise surnames because of the danger of making false assumptions. When looking for a particular surname, it is necessary to search for variant spellings.

Names are followed by a code which refers to the wappentake in which that individual was recorded.

Key:

AB = Agbrigg and Morley

AI = Ainsty

BA = Barkston Ash

CL = Claro

OS = Osgoldcross

STEW = Staincliffe and Ewcross

STX = Staincross

SK = Skyrack

STR = Strafforth and Tickhill

XC = Name appears on a transcribed exemption certificate

A
